

17 February 2021

Dear U3A Surf Coast Tutors, Members and Venue Co-ordinators'

After hearing the excellent news of the finishing of the Victorian lockdown at 11.59 pm on Wednesday 17th February 2021, the Committee has decided to go ahead and restart classes on Monday 22nd February 2021.

We are sorry to have lost a week of classes, but very relieved that it is no longer. We are certainly learning to be flexible!

All classes will run according to the timetable including the occasional lecture "Hold Some and Steal Some; A History of Dairy", which will be on next Tuesday 23 February in the Senior Citizens at 02:45 pm. Please make sure you are enrolled for this class as there is a numbers limit.

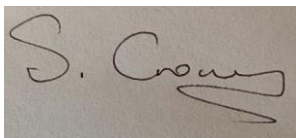

There will be some updated information for classes lost in short courses. Please watch out for specific information from Tutors and the Committee.

Due to our conservative COVID plan there, will be no changes to requirements.

Masks will still need to be worn inside and outside the classes. There is an exemption for teachers whilst teaching.

Wishing you all an enjoyable return to classes next week

Kind Regards

Sue Crowe

**U3A SURFCOAST President**
